

1. Explaining quantum qubit .
2. Briefly explaining of the Quantum entanglement.(Story form with example) => refer to link-
<https://youtu.be/fkAAbXPEAtU>
3. Types of entanglement :-
Briefly explaining about bipartite and multipartite entanglement.
Bipartite entanglement :- <https://youtu.be/G5z6a8Mp-9w>
Multipartite entanglement :-  14-2 Multipartite entanglement
4. Establishing entanglement and distance swapping => https://youtu.be/niHe_HyluJ0
Lec- 12.1 , 12.2 , 12.3.
5. Information sharing in quantum network software.

DIVISION OF WORK:-

PART 1,2,4 => URVISH,SAMARTH

PART 3 => JAY,GEORGE

PART 5=> SREEJAN
