

1. Explaining quantum qubit . **Samarth Pandey**
2. Briefly explaining of the Quantum entanglement.(Story form with example). **Urvish Pujara**
3. Types of entanglement :-
Briefly explaining about bipartite and multipartite entanglement.
Bipartite entanglement :- **George Paul**
Multipartite entanglement :- **Jay ghevariya**
4. Establishing entanglement -**Urvish Pujara**
5. distance swapping - **Samarth Pandey**
6. Information sharing in quantum network software.- **Sreejan Patil**
